R. C. TECHNICAL INSTITUTE, AHMEDABAD
(Directorate of Technical Education, Gujarat State)

SAMVAAD

Yearly Newsletter

From the Desk of principal

proud to head the institute, which is more than hundred years old and consistently providing quality education in Diploma Engineering programs. Along with the focused technical teaching, the institute is vibrant in co-curricular and extra-curricular activities; which bring out real hidden potential within the student. The highlights of all such activities are presented in this second issue of "Samvaad", a yearly news letter of R C Technical Institute.

This year the students presented their unique and innovative models in the tech fest "Aavishkaar - 2017". Healthy mind needs healthy body. So, this year a sports event "RCASE - 2017" was held with the inclusion of a very special game "Archery". In addition to this, many other activities like; blood donation camp, seminar on energy conservation, yoga day celebration, tree plantation, puppetry workshop were successfully organized.

To boost up pedagogical activity among the faculties, this year Institute Pedagogical Lecture (IPL) series also started. Various dedicated teachers delivered lectures on the topic of their expertise and thus IPL series provided a beautiful platform for knowledge dissemination. Thus, the year 2017 remained a progressive year for the students as well as teachers.

Content Highlights

- Republic Day Celebration
- A Technical Training on Evaporative Air Cooling Technology

- Staff Achievements and Paper Publication
- Industrial Visits
- RCTI News Room

Republic Day Celebration

Republic day is celebrated every year on 26th of January since 1950 to mark the enforcement of Constitution of India. RCTI also celebrates this day every year. National Anthem was recited. Principal Dr. B.B. Soneji hoisted the National flag and gave a motivational speech to students and staff. NCC cadets performed a disciplined and attention catching Republic day parade. Around 200 students and staff attended the celebrations.

Technical Training on Evaporative Air Cooling Technology:

Three days technical training program during 02/02/2017 to 04/02/2017 on topic of "Evaporative Air Cooling Technology" was organized by TPO Team. 35 students of 6th semester, Mechanical Department participated. This camp was helpful for enhancing technical knowledge of students towards technological upgradation with hands on training for evaporative air cooler technology and related services and installation issues. Soft skill session was also included along with technical training during these days which was helpful to students in their placement perspective.

Blood Donation Camp

RCTI always believes in social service and the best way to show this generosity is through Blood Donation Camp. In continuation to last many years, this year also, we as an educational institute did this social service. A blood donation camp was organized on 10/03/2017. Students and faculty members donated blood. 30 NCC/NSS students volunteered for arranging this activity. 77 bottles of blood collected.

One Day Puppetry Workshop:

"Hum sab to rangmach ki kathputaliyan hain jiski dor uparwale ke hath me bandhi hain." A lesson for life from the film 'Anand' resonates one's mind by seeing enchanting puppets displayed at R. C. Technical Institute. On occasion of World Puppetry Day, the institute organized a one-day workshop cum exhibition for the students of diploma engineering on 21/03/2017. Artists from MEHER- The Troupe, named after and inspired by a renowned artist late Padmashri Meher Contractor, a performing group of enthusiastic puppeteers came forward to ignite the spark of puppetry in more than forty students. This ancient craft received warm response from faculties and students. Students learnt the various functions of puppetry in the realms of education, mass-media, social welfare etc. Mr. Mansinh Zala - pivotal personality of the group and his team toiled to put it together. Participants also learnt craft of script writing, manipulation technique and performance. Later, students performed dramatic version of puppetry addressing themes like Female Education, Cashless Economy, and Child Labor etc.

National Integration Camp

A team of NSS volunteers along with NSS Program officer Janak C. Thakkar Lecturer IT, enthusiastically participated in a National Integration Camp at Karnataka. The Students involved in Yoga, Sharmdan, Dairy Writing etc. and learn discipline and teamwork.

Aavishkaar - 2017:

The Annual Technical event "Aavishkaar-2017" was held at the institute on 3rd and 4th March 2017. The Event was inaugurated by Prof. P. C. Vasani, Joint Director and Prof. Shyam Varghese, Deputy Director of Directorate of Technical Education, Gujarat State. More than 1200 students participated in 25 departmental events/competitions and four institute level events. Robo race was the main highlight of Aavishkar-2017. It was organized by Mechanical and Electrical Engineering departments. The track was designed and constructed by Mechanical Engineering department with reusable materials. A centralize quiz competition was also held based on General Knowledge. The students learn many new things with great fun.

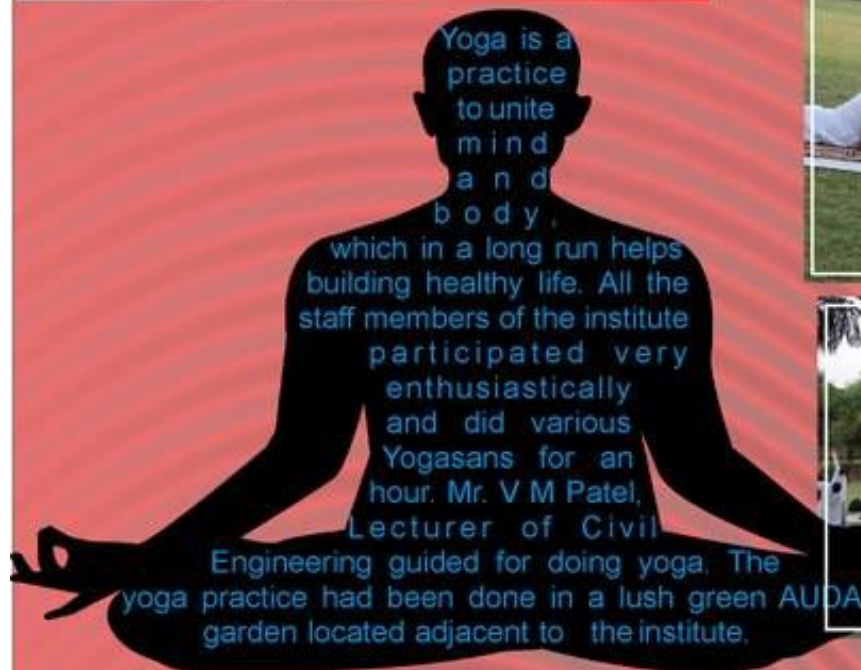

Civil Service Day Celebration:

On the occasion of "Civil Service Day" celebration (20/04/2017) Smt. Hetal Patel, DySP, Palanpur was invited to deliver an expert lecture on Indian History and core parts of Indian Constitution. Faculties of all departments truly enlightened with the knowledge gained in the lecture.

World Yoga Day Celebration June 21, 2017:

Tree Plantation Drive:

RCTI is rich in case of the greenery and trees in the college premises, but still the institute is keen to grow more trees and develop safe nature for mankind. RCTI NSS Team, faculties and students of different department are adding more and more trees every year. In July 2017 we planted more than 100 trees in the campus.

Kavi Sammelan:

A person with technical skills is always found lagging in other extra curricular activities. But when you meet Dr. B. B. Soneji, our Principal Sir, you will find a great administrator as technical person and a reputed poet in himself. To develop interest of students in extra curricular activities, a "Kavi Sammelan" was arranged at the institute on 19/08/17; wherein principal Dr. B. B. Soneji, Smt. Varshaben Prajapati, Shri Viral Desai, Shri Ravi Dave, Shri Gautam Parmar and Shri Jay Mehta recited their poems. Shri Bakulbhai Trivedi Dy, Mamlatdar nicely anchored the program.

Independence Day Celebration:

Independence Day, 15th August, is a celebration of the freedoms that we enjoy - of thought, action, speech, movement, and mandate. From the year 1947, each year we celebrate our Independence Day as a tribute to this spirit of freedom and to the courage and sacrifices that countless men and women made. RCTI also celebrates this national festival every year on this day. National Anthem was recited. Principal Dr. B.B. Soneji hoisted the National flag and gave a motivational speech to students and staff. NCC cadets performed a disciplined and attention catching parade. Around 250 students and staff members attended the celebrations.

Energy Conservation Workshop:

One day workshop on "Energy Conservation" at R C Technical Institute was organized on 29/08/2017. The workshop was sponsored by GEDA and conducted by Swajal Technologies, Anand. Very fruitful presentation done by Shri Yogesh Prajapati and Shri Ankit Prajapati of Swajal Technologies. Brief idea about energy conservation and its necessity in our daily life was taught to 80 students of electrical department. Ms Vrinda Kotadawala, LEE and Shri D N Thakkar, LEE coordinated the program. The students learnt great lessons regarding the importance of Energy.

RCASE - 2017:

"A Healthy Mind needs A Healthy Body", by following this motto R. C Technical Institute, Sola, Ahmedabad organized First Ever R C Annual Sports Event - RCASE-2017 on 31st August - 1st September 2017. The main focus of this event was to take students to actual physical games world from digital world of mobile revolution. RCTI has taken an initiative to spread the awareness regarding various Indoor-Outdoor games and conventional sports. And that's the reason RCASE-2017 included games like Archery, Chess, Volleyball, Cricket, Table Tennis, Badminton, R C Premier League (having faculties in the team), Lemon Race, Musical Chair, 100 Meter Race, Kho-Kho and 1 minute Game. More than 500 boys and girls took part with great enthusiasm. This Sports event taught Sportsmanship, Fighting Spirit, Focus, Concentration, Team Work, Presence of Mind, Flexibility, how to come out from the worst situation to the winning situation, not to be broken on failure and not to be boast on success.

Swachha Bharat Abhiyan:

"Cleanliness Is Next To Godliness". Cleanliness begins from our surrounding and R C Technical Institute organized the campaign for cleanliness. To spread the awareness regarding the cleanliness students created banners and slogans. A dustbin making competition was floated with the theme "Clean India Green India". The students made unique and attractive dustbin to collect the garbage. In addition, Under Swachha Bharat Abhiyan, a really called "Swachhata hi Seva" planned by students to create awareness amongst students on 24/09/2017 in RCTI campus. 25 NCC/NSS cadets visited Bhagwat Vidhyapith on 13/09/2017 for general cleanliness and general washroom facility observation. A team of 10 Volunteers of NCC/ NSS went to safai vidhyalay and gained the knowledge about the making of low cost toilets in slum areas on 22/12/2017.

Institute Pedagogical Lecture Series:

Institute Pedagogical Lecture (IPL) series was started first time in the history of R. C. Technical Institute in the middle of April 2017 by respected principal Dr. B. B. Soneji. A faculty member of RCTI delivers this pedagogical lecture on science and technology or any

other important topic, which is general area of interest of all of us. IPL lectures are conducted on every second working Saturday of the month. Aim of IPL series is that the knowledge of a faculty may be disseminated among all.

Speaker :- Dr. B. B. Soneji,
Principal, R. C. Technical Institute
Topic:- Earthquake and Tsunami:
Disaster Mitigation
Date:- 15/05/17,
Time:- 11.30 AM

Speaker :- Shri D. N. Thakkar,
Lecturer Electrical Department
Topic:- "Transcendence: My Spiritual
Experiences with Pramukh Swamiji"
Date:- 15/07/17
Time:- 11.30 AM

Speaker :- Shri R. D. Parmar,
Lecturer Electrical Department
Topic:- Solar Power Generation
Technologies
Date:- 16/09/17
Time:- 11.30 AM

Speaker :- Dr. Peenaben Thanki,
Lecturer General Department (English)
Topic:- Core Teaching Skill
Date:- 18/11/17
Time:- 11.30 AM

CDTP Program:

Community Development

Through Polytechnics is a National Level Program sponsored by Central Government wherein, the Government Polytechnics are mandated to run employable skill enhancing programs for youth of the surrounding community. Shri K.S. Parmar, Lecturer Mechanical Engineering is a Co-ordinator of CDTP. Under the able guidance of Principal, Dr. B.B. Soneji, he conducted 19 programs under the aegis of CDTP wherein 353 students in total were trained during 2017. Further 06 awareness programs were also held for Beti Bacho, Beti Padhao, Digital Financial Transaction, Women Empowerment and Malnutrition in women, wherein 267 enthusiastic candidates took part.

Training and Placement Activities:

R.C. Technical Institute is very well known in the industry and society for its quality education. Hence, the technical industry very actively vies for this institute for its manpower requirements. It is evident from the fact that 59 different companies co-ordinated with the institute for campus recruitments. This included prestigious companies like Coca Cola, Torrent Power, Arvind mills, Hilex India Pvt Ltd, Ashima mills, L&T group, Suzuki Motors, Sonakoyo Steering, Anand Group of Companies etc. A total of 197 students from all branches were recruited by these companies. Major Department wise selections included 112, 36 and 27 from Mechanical Engg., Textile Manufacturing Technology and Printing Technology, respectively. Besides tying up with the industry for campus interviews, the Training and Placement Cell of the institute is also actively arranged training programmes for students throughout the year. Total 22 plus Seminars and workshops were organized during the year 2017.

Departmental Activities:

Mechanical Engineering Department

A Seminar of Solid works 3D CAD Software was organized on 02/09/2017. Shri T.S. Raol and Shri G.D. Mistry coordinated the seminar related activities. Almost all students of 6th semester participated in the seminar.

A Seminar on Entrepreneurship Awareness was organized by the department on 26/09/2017. A total of 71 students benefitted from the program.

Computer Engineering Department

A pedagogical lecture on 'Privacy issues in Data Mining' was conducted. Shri N.H. Domadiya delivered a lecture on the above topic and nearly 18 staff members participated in the lecture.

Electrical Engineering Department

30 different projects under model making competition was prepared and displayed. Students made different Electrical circuits by using bread board and different

Institute Toppers:

Sr. No.	Name of Candidate	CPI	Programme
1	Tuvar Maulik J.	9.92	Civil Engineering
2	Brahmbhatt Mansi B.	9.83	Computer Engineering
3	Rajput Ashutoshsingh S.	9.71	Electrical Engineering
4	Singh Poonam V.	9.89	Information Technology
5	Parekh Mihir H.	9.95	Mechanical Engineering
6	Chauhan Kishan	9.08	Printing Technology
7	Patel Sanket Bhaveshbhai	9.29	Textile Mfg. Technology
8	Chauhan Shailesh Ramraj Singh	8.64	Textile Processing Tech.

Students Achievements:

- Jigar Dodiya, Prayag Patel, khush Panchal, Parth Gohil, Deep Rana and Jigar Patel of electrical engineering department participated in CREATO 2017, A National Level Project Competition held at B. B. IT, Vallabh Vidyanagar in march 2017. The group won second prize in the competition.
- Shah Vivek N, student of electrical engineering, represented RCTI at GTU Level Essay writing competition on 16/08/2017 and secure first position with certificate and cash price of Rs. 1500/-
- Rathod Nirav, student of mechanical engineering participated in general quiz competition-2017 at GTU and won first price on 16/08/2017.
- Parmar Dilip Somabhai represented RCTI at GTU Level Essay writing competition on 16/08/2017 and secure second position with certificate and cash price of Rs. 1000/-.
- Vyas Neelkanth, Patil Kundan, Patel Kishan, Prajapati Jaydeep, students of electrical engineering, participated in GTU Techfest 2017 held at G.P. Ahmedabad on 06/04/2017. This group won price for their project namely "Wireless wheel chair".
- Dipal Sukla, student of Textile Processing, represented R. C. Technical Institute at GTU Level Elocution Competition and secure 3rd rank in Elocution Competition and won 1st Rank at Department Level.

Staff Achievements and Paper Publication:

□ Mr. A.V. Vora, Lecturer in Civil Engineering published paper in International journal of engineering and development and research with title "Transportation Noise, a new threat to Mega cities and Metropolitan cities- a case study of ahmedabad city" dated 08/10/2017.

Mr. A.V. Vora, Lecturer in Civil Engineering published paper in International journal of science and advance research in technology with title "Noise mapping and remedial measures to transportation induced noise- A case study of ahmedabad" dated 17/10/2017.

□ Ms. Jigna Acharya, Lecturer in Computer Engineering presented a paper titled "Met heuristic Combinatorial Optimization Techniques for Scheduling in Cloud- A Survey" in a National Conference on Emerging and innovative techniques at S R Patel Engineering Collage, Dabhi dated 26/05/2017.

□ Dr Peena Thanky, Lecturer in English presented two papers one in International conference on Partition Literature on 27/03/2017 and the other in International Conference on relevance of Shakespeare in contemporary world on 21/05/2017.

□ Dr Jay Mehta, Lecturer in English presented two papers in International conferences namely "Gulzar Echoes Shakespeare: Lyrics of Maqbool, Omkara and Haider on 25/03/2017; "The Overcoat: then and now, A critical study on 14/10/2017. He also presented a paper in a National Conference on "The Lady with the Dog: A Labyrinth called Love on 11/03/2017.

□ Further, Dr.Jay Mehta's , three articles namely "Anton Chekhov", "Hanumanji" and "Vinoba Bhave" got published in a leading Gujarati Daily, Gujarat Samachar on dates 16/07/2017, 23/07/2017 and 29/10/2017 respectively. He also gave an Expert talk at Department of English, Bhavnagar University.

□ Mr. Sunil Aggrwal, Lecturer in Electrical presented paper namely "A Unified Power Flow Analyais for VSC-MTDC system with Distrubution Generation" in 7th International Conference of Power System (ICPS-2017) held at CoEP, Pune.

□ Mr. C R Madhu, Lect. DTPT, gave expert lecture as a speaker in Manipal University, Jaipur on 28/01/2017 and in Modi University, Jaipur on 29/01/2017.
