R. C. TECHNICAL INSTITUTE, AHMEDABAD
(Directorate of Technical Education, Gujarat State)

SAMVAAD

Yearly Newsletter

Jan - Dec 2018

From The Desk of Principal:

It is a matter of immense pleasure that the institute is presenting its consecutive third yearly newsletter "Samvaad", which depicts the details of various activities and events that took place during the year 2018. It is said that the quality of an institute can be well judged by looking at the magazine of the institute. The "Samvaad" shows the contribution of the students and the faculties towards achieving academic, co-curricular and extra-curricular excellence that gives us the status of premier institute of Diploma studies in the state of Gujarat.

Contents

- Republic Day Celebration
- Road Safety Seminar
- Eco Tour to Serenity Library
- Aavishkaar - 2018
- Thalassemia and Blood Donation Camp
- Workshop on How to Face Interview and Create Resume
- Tree Plantation Drive
- Finishing School
- Awareness Program for Self Defense
- RCASE -2018
- Expert Lecture on Indian Constitution
- Charkha Learning Workshop
- National Mathematics Day Celebration
- Soft Skills Training workshop
- Inauguration of New Building at GPG
- Training and Placement
- Visit to Statue of Unity
- CDTP Program
- Departmental Activities
- Students Achievements
- Institute Toppers
- Industrial Visits
- Staff Achievements and Paper Publications
- Photography Competition
- RCTI News Rooms

This year the third technical event "Aavishkaar - 2018" and second sports event "RCASE - 2018" were held. Along with these, the other events like blood donation camp, Thalassemia testing camp, World Yoga Day and tree plantation were also successfully organized. The women development cell organized a seminar on "Self Defence" for the girls. The NSS coordinator arranged a nice seminar on "Road Safety" for the students to make them aware about safe driving rules. Also, to spread the Gandhian thoughts of self-reliance and non-violence, a unique workshop was organized wherein the students learned how to make yarn by running a Charakho.

We, at RCTI, also run various hobby clubs. This year a nature trail was organized at The Serenity Library and Botanical Garden near Ahmedabad, by the nature club; and a photo competition on "RathYatra" was organized by the photography club. Thus, we have tried our best for overall development of our students.

Institutional Events

Republic Day Celebration:

At R C Technical Institute, We are always keen to celebrate the all national festivals with full glory & respect. A team of NCC cadet under the guidance of NCC Co-coordinator performs the NCC parade with discipline and co-ordination. Students and faculties of all the departments make their presence to respect the great nation. Jai Hind. Jay Bharat.

Road Safety Seminar:

A road safety seminar was organized on date: 07/03/18 by the NSS and NCC for the road safety awareness. Retired ARTO officer Mr R G Joshi provided valuable information on various issues in vary interactive manner. He also focused on the topics like - Traffic rules, importance of helmet, seatbelt and ABS breakings system. Also he explained some bad driving habits and carelessness of the people meets to the accident. More than 200 plus students and faculties were made aware via audio video presentations and they committed themselves towards the road safety.

Eco Tour to Serenity Library:

TREE - The Nature Club of R C Technical Institute organized an Eco Tour to Serenity Library and Botanical Garden. With this tour, the students got an opportunity to come close to the nature...The students learned characteristics of various flora and fauna at the botanical garden...

The Nature Club convener Shri Jay Patel, Lecturer Mechanical Engineering nicely arranged & handled the tour...inspired by The Principal Dr. Balkrishna Soneji Sir...

Aavishkaar-2018:

The consecutive third Grand Technical Event in the history of R C Technical Institute. The annual technical festival "AAVISHKAAR-2018" was inaugurated by our super dynamic Honorable Director of Technical Education Shri K. K. Nirala Sir, IAS. The event was successfully organized by the Gymkhana convener Shri U R Tiwari and his team members. Students presented their innovative models which can be of practical use in real life. Activities like Robo war, Robo race, Robo soccer, Collage Making, Treasure hunt, Struct-o-block were truly fun & learn event

Thalassemia and Blood Donation Camp:

Two noble activities organized by the RCTI NSS team in the month of March 2018. Blood Donation - More than 50 bottles of Blood were donated by the faculties and students of RCTI to help the needy people of the society. Thalassemia Awareness and Testing - A regular activity of Thalassemia testing was organized for the First year students. Also an awareness lecture was organized at RCTI. Large numbers of students from first year understood about through the lecture of Mr. Prakashbhai from Red Cross.

Workshop on How to face Interview and create Resume:

An initiative is taken at RCTI, Mechanical Department, for the students who are going to appear for the placement interview. The principal of the Institute Dr.B.B.Soneji, shared his expert opinion for the session. The session differentiated between Bio-Data and Resume & how to create CV (by Kum. D.M.Harwani), and focused on How to face Interview (by Shri A.C.Ninama) and some live Interview Session by the faculties Shri R.B. Dhruv, Shri K.S. Parmar, Shri P.A.Vaghela.

Tree Plantation Drive:

Students of NSS unit and Nature Club of RCTI have planted more than 200 plants and big size trees to make the campus more Green and Beautiful. Especially plants and trees which attract the birds like - Jambu, Umaro, Vad, Borsalli, GulMahor and others like - Aasopalv, Sevan, Saptapranee, Bamboo, Karen are planted. Additionally, Students were explained the importance of Trees and also motivated to take care of the trees throughout the year.

Finishing School:

Education department, Government of Gujarat has taken initiative to increase employability skills in students. Under this project, Knowledge consortium of Gujarat has started finishing schools. Finishing school Training in RCTI Ahmedabad was started in March 2018. 3 batches of 40 students each have completed this training. 100 hours of training by a professional trainer was imparted to students which included Functional English, Life skills and employability skills.

SDAP regarding self-defense

The Women Development Cell of RCTI organized an awareness program for the female students and faculties regarding self-defence considering the recent spread of violence and abduction amongst the female community across the country. Mr. Ujjawal Jaiswal, a Black Belt holder, from Rushiraj Foundation talked about the importance of self-defense and taught many tricks and techniques for the girls to improve their self-defense. The techniques involved how to resist the attacks when anyone tries to grab your neck from behind and how to defend when someone holds your hand or wrist. He explained the vital seven points where one can attack for self-defense. These techniques were very important because they can come handy while defending against a person irrespective of his physique. To attain the physical strength, he emphasized to follow a fitness regime every day. Along with the physical strength, self-confidence is also important when we face such unwanted situations.

RCASE - 2018:

"Education means to bring out inner qualities of the students" - Swami Vivekananda. RCTI is truly following these great words of Swami Vivekananda. As "Healthy Mind lives in Healthy Body", playing sports plays vital role in wholesome development of a student. The Gymkhana committee of RCTI successfully arranged its annual sports event RCASE - 2018 second time on 19 - 20 September under the guidance of our visionary Principal Dr. Balkrishna Soneji. The event was inaugurated by our beloved Honorable VC Sir of Gujarat Technological University, Dr. Navin Sheth. Dr. Shashikant Gupta, Head of NITTR regional centre, Ahmedabad was the guest of honor for the inaugural event. With 1000+ students as participants and many faculties as different game co-coordinators made the event successful and memorable with their heart pouring efforts and involvement. The games like Volleyball, Archery, Basketball, Badminton, Table Tennis, Chess, Tug of War, Sack Race, R C Premier League, Three legged race and Lemon Spoon were incorporated.

Expert Lecture on Indian Constitution:

On the occasion of Constitution Day, Shri A C Ninama, lecturer of Mechanical Engineering delivered expert lecture on "Preamble to the Constitution of India" to the faculties of the institute. The Preamble may be considered as heart and soul of the Constitution. He nicely explained the meaning of specific terms of the Preamble, like "The People of India", "Sovereign", "Socialist", "Secular", "Democratic Republic", "Justice", "Liberty" and "Equality". The lecture was very well received by the faculties.

Charkha Learning Workshop:

On the occasion of celebrating 150th birth anniversary of Mahatma Gandhi, a Charkha learning workshop organized by the NSS Co-ordinator Shri J C Thakkar on November 30, 2018. Ms. Avni Varia, the founder of "Chalo Charkho Ramiye" movement, nicely taught the motivated students the art of making thread using spinning wheel. The students very much inspired by this activity and took oath to buy and use Khadi at least Rs. 100 every year. The Principal Dr. B B Soneji distributed book "SatyanaPrayogo", the autobiography of Mahatma Gandhi to all the participants to motivate them to follow Gandhian thoughts in life. Thanks to Shri A M Patel, Head, Ms. K M Trivedi, Lecturer Phy., Dr. P R Thanky, Lecturer Eng., Shri D D Raval, LPT, Shri S D Gohel, LPT and NSS volunteers for their contribution towards making the event a great success.

National Mathematics Day Celebration:

On the occasion of birth anniversary of famous mathematician Srinivas Ramanujan, National Mathematics Day was celebrated on 22nd Dec. 2018 at R C Technical Institute. An interesting documentary on life of Srinivasan was shown. Maths Quiz was conducted, in which students participated with enthusiasm and zeal.

Soft Skill Training Workshop:

Lectures and mock training sessions on Resume writing, Cover Letter Writing, Basic Interviewing Skills, Dressing and body Language during Interview were held for final semester students in Dec 2018.

Training and Placement:

RCTI is renowned for the quality education that it imparts to students. This is evident from the fact that 66 Companies coordinated with the institute for campus recruitment. This includes reputed companies like Suzuki Motors, Coca cola Ltd, Torrent Power ltd., Bajaj Auto, Essar, Tata Motors Etc. Total 183 students of different

branches were recruited by companies for various positions. Major department wise selection were 62 students from Mechanical, 34 from Electrical 31 from Printing, 25 from DTPT and 21 from DTMT. The maximum package offered was 2,20,000/-

Inauguration of New Building at GPG:

Inauguration of newly constructed building of Chemical Engineering Department at Government Polytechnic, Gandhinagar being

done by Dr. B B Soneji, Principal, R C Technical Institute, Ahmedabad on Dt. 25/12/2018.

Visit to Statue of Unity:

Principal and staff members visited Statue of Unity, the tallest statue of the world at 182 meters. The visit was scheduled on 8th December, 2018. They also visited museum, audio-visual gallery and Sardar Sarovar Dam. It was unique and memorable experience.

CDTP Programme:

Community Development Through Polytechnics is a National Level Program sponsored by Central Government wherein, the Government Polytechnics are mandated to run employable skill enhancing programs for youth of the surrounding community. Shri K.S. Parmar, Lecturer Mechanical Engineering is a Coordinator of CDTP. Under the able guidance of Principal, Dr. B.B.Soneji, he conducted 16 programs under the aegis of CDTP wherein 310 students in total were trained during 2018. Further 04 awareness programs like Women Empowerment, Use & Safety for LPG Gas in Kitchen, Electrical Energy Management and Reduction in Electricity Bill, Job opportunity for Women in Garment making sector were also held. Two Technical support camps were held from which 70 students were benefitted. Socio economic survey, Need base survey and Feedback survey were conducted which included 200 members.

Departmental Activities

Mechanical Engineering Department

- Mechanical Department arranged pedagogical lectures on 3D Printing Technology, AutoCAD and Revit and Solid Works.

Computer Engineering Department

- Computer Department organized Seminars on topics like Advance Java, Latest Trends in Web Design, PHP - Basic To Advance, Core Java Programming, Career Oriented and Campus Drive.

- A pedagogical lecture on Machine Learning was also conducted in which 17 students took part.

Civil Engineering Department

- Civil Department arranged Expert lectures on various topics like M.S. Project, Port and Harbour Structures and Port Management & Administrations for the benefit of students.

- A Technical Quiz competition was also arranged for students. Mistri Vishal M. RaghwaniKrunal D. won the event.

Electrical Engineering Department

- Electrical Department organized Urjaa Mitraa Workshop in which a van having energy saving devices was called from GEDA and was kept in the college premises to demonstrate the efficient utilizations of Electrical Energy.

- Departmental pedagogical lectures were delivered by shri T. V. Rabari on Industry Institute Partnership.

- Shri D. N. Thakkar on Trouble shooting and Quality Testing of Electrical Equipment,

- Smt. S. S. Patel on Beyond the class room toward the excellence.

- shri C. T. Patel and shri J. B. Bhati on Fundamentals and Application of IoT.

Textile Processing Department

- Textile Processing Department conducted expert lectures on Self Belief Confidence and Technical Textile.

Printing Technology Department

- Printing Department arranged an expert lecture on Offset Ink.

Student Achievements:

- Akshat Gupta, a student of Electrical Engineering received Certificate in appreciation of his proficiency in acting in Gujarati EkankiNatyaSpardha organised by BhavansCultural Academy and Centre for Arts, Ahmedabad on 24/09/2018.

- Four students of It department Patel Tushar, shah shrawan, Patel Shahil and Patel Khush participated in All India Essay Writting Event 2018 in January 2018-19 organised by Ramchandra Misson and UN.

Institute Toppers:

| Sr. No. | Enrollment No. | Name of Candidate | CPI | Programme |
|---------|----------------|----------------------------------|------|--------------------------|
| 1 | 156400306040 | Prajapati Jigarkumar Ishwarbhai | 9.56 | Civil Engineering |

Staff Achievements and Publications :

- Shri P. A. Vaghela, Lect. in Mechanical Engineering presented a paper in International conference D2ME2018 which was organized in Thailand. The Paper was on *Optimization of Tooth Root Profile Using Bezier Curve with G2 Continuity to Reduce Bending Stress of Asymmetric Spur Gear Tooth.*
- Shri D. M. Harvani, Lect. in Mechanical Engineering presented a paper in International conference on *innovations in infrastructure* at IITRAM.
- Shri V. K. Patel, Lect. in Mechanical Engineering published a paper in International Journal of *Modern Engineering and research technology on laser surface texturing (LST) on piston rings for fiction power reduction* - a Technical Review.
- Ms. Krishna S. Patel, Lect. in Electrical Engineering presented a paper in International Conference at BVM Vidyhyanager on *"Women in Science & Technology : Creating sustainable career"* Review on *Wind Energy conversion system topologies for different Wind Turbines-Generators.*
- Shri N. N. Pandya, Lect. in Electrical Engineering, published a paper in JCSE International Journal of Computer Sciences and Enginnering, Volume-6, Issue-6 on *Grid Connected Solar Roof Top System For Three Phase Load* in June 2018.
- Shri H. I. Joshi, Lect. in Electrical Engineering applied for patent publication on *Smart Domestic Power Scheduling System.*
- Shri C. R. Madhu, Lect. in Textile Processing Department received award for *Innovation in Textile Processing Chemicals and Auxiliaries* in May 2018.
- Ms. D. M. Trivedi presented a paper in IJSRSET National Conference in January 2018 at L. D. Engineering College.
- Shri J. C. Thakkar presented a paper in IJSRSET National Conference in January 2018 and April 2018 at L. D. Engineering College.
- Shri J. S. Prajapati, Lect. in Mathematics, published a paper on *Numerical study of one dimensional ground water recharge through Porous media with linear permeability* in International journal of Science and Research in Nov 2018
- Dr. P. R. Thanky, Lect. In English published a paper on *Plight of Women in Gajendra Kumar Mitra's 'A stone's Throw from Kolkata'* in International Journal of Research in Management and Social Science in March 2018.
- Shri R. C. Bhatt, Lect. in Mathematics, published a paper on *Dr. Ambedkar's empowerment on educational thought* in International journal Scientific Research in July 2018.
- Shri J. S. Prajapati, Lect. in Mathematics , presented a paper in Pro. P. C. Vaidya National Conference.
- Shri H.S. Patel, Lect. in Physics, presented two papers in two different National Conferences at IITRAM Ahmedabad and Department of Physics, Gujarat University, Ahmedabad.
- Shri V. A. Dabhi, Lect. in Physics, presented two papers in two different National Conferences at IITRAM Ahmedabad and Department of Physics, Gujarat University, Ahmedabad.
- Shri R. C. Bhatt, Lect. in Mathematics , presented a paper in National Conference at Dr. Babasaheb Ambedkar Open University.
- Dr. S. R. Barot, Lect. in Mathematics , presented a paper in international Conference.
- Shri H. N. Upadhyay, Lect. in Textile Manufacturing published a paper in International Journal for Scientific research and Development .
- Shri C. R. Madhu, Lect. in Textile Processing Department received Masters' degree with distinction In Sep 2018.
- Ms. D. M. Trivedi and Shri J. C. Thakkar received Masters' degree in June 2018.
- Shri H. N. Upadhyay, Lect in Textile Manufacturing, received Masters' Degree in June 2018.
- Ph.D. -Shri N. R. Patani, Assistant Librarian, received Ph.D. from Gujarat Vidhyapith
