The newsletter of an institute is an essential tool which communicates all the curricular and co-curricular happenings inside the campus. It is a matter of great pleasure for me to present the fourth consecutive newsletter of the Institute, "SAMVAAD". The Institute is dedicated to achieve excellence in academic activities as well as the activities which help the students for their overall development as a sincere and responsible citizen of the nation.

The year began with signing a memorandum of understanding with Association of Chemical Technologist, India. "Aavishkaar-2019", the fourth consecutive annual technical festival was organized, wherein the students presented their innovative projects and models. In order to help new students adjust and feel comfort in the new environment, inculcate in them the culture of the institution, help them to develop bonds with other students and faculty members; a ten days induction program was organized. Apart from this, the events like, visit to sundervan by nature club, a seminar on maths, blood donation, awareness program on cervical cancer, HIV awareness seminar, Geeta jayanti program etc. were organized by various event coordinators. Moreover, another memorandum of understanding signed with "Aadhar", a charitable trust, for developing projects related to hand spinning-charakha.

Successful organization of all these events is not possible without wholehearted involvement of dedicated faculty members and students. I would like to compliment all of them for making the events fruitful and memorable. Finally, I would like to congratulate the team of "Samvaad" for their sincere efforts to bring out the fourth issue of this annual newsletter.

## Republic Day Celebration

Republic Day celebration at the institute. The students of NCC and NSS performed a thrilling act of "Surgical Strike".

## MoU between RCTI and ACT at STEM

A Proud Moment for R. C. Technical Institute... The Dynamic Principal Dr. B B Soneji Presenting a strategic Memorandum of Understanding ( MOU) with the industry partner, Association of Chemical Technologist (India) at the international conference on Science, Technology, Engineering and Maths

(STEM) held at Science City, Ahmedabad on January 28, 2019. Special thanks to Shri R D Joshi and Shri C R Madhu for establishing a very good relationship with the industry partner and making them ready to sign this MOU.

## SSIP International Conference at EDI

The principal of RCTI, Dr. B B Soneji was the session Coordinator of Paper Presentation on Intellectual Property Right & Best Practices in promoting student

Innovation on 7th June, 2019. Total 7 Papers were presented under Academic Track activity. Dr. Unnat Pandit, Niti Ayog, new Delhi chaired the session

# Blood Donation Camp & Thalassemia Test

RCTI is always ready to contribute its best for the society. RCTI NSS Team, Faculties and Students contributed more than 80 blood bottles to the society.

We are proud on all the donors who contributed blood for the society.

## Seminar on Mathematics

An expert lecture of Shri Y P Trivedi, Lecturer, Mining Engineering at Government Polytechnic Bhuj was conducted at RCTI. He explained that Mathematics is a subject of understanding and not just memorising. He presented new equations for measuring regular shapes. He explained that use of constant  $m$  in place of  $\Pi$  can make mathematics simpler and easier. The students found this topic unique and interesting. Students attended the seminar with great interest. The coordinator of the seminar concluded that this type of seminar spread among the students about mathematics.

## Visit to Sundarvan Nature Park

A one day seminar for the students at Sundarvan Nature Park Ahmedabad was organized by Mr Jay Patel Convener, Nature Club and Sponsored by Gujcost. The seminar was organised to create awareness and to remove wrong beliefs regarding reptiles in the students. Students were given knowledge regarding Indian Cobra, Common Snake, Russell's viper, Saw scaled viper, Crocodile, Alligator, Turtle, Monitor lizard etc. Students were informed regarding Food habits, Identification methods and the populations of the reptiles in detail. Also Students were informed regarding wildlife and opportunities in the field of the Bio-diversity.

# AAVISHKAAR - 2019

The annual technical festival "AAVISHKAAR - 2019" was organised for the fourth consecutive year in the history of R C Technical Institute. It was inaugurated by our super dynamic Honourable Commissioner of Technical Education Smt. Avantika Singh, IAS. - The event was successfully organized by the Gymkhana

convener Smt. Nishi Gupta and her team members. Students presented their innovative models which can be of practical use in real life too. Activities like Robo war, Robo race, Collage Making, Treasure hunt, Quiz, etc were a part of this event. It was truly a fun & learn event.

## Yoga Day Celebration

Yoga is the biggest gift given by the Indian Culture to this world. With yoga one can live life without stress and disease. Yoga is the process to live healthy life. On 21st June, RCTI organized successful Yoga day Celebration event. The event started with the

motivational words of Principal Sir Dr. B B Soneji. The event was nicely conducted by Shri J B Bhatti, Lecturer, Electrical Department. Faculties and Students performed yoga very enthusiastically and took oath to do Yoga regular basis.

- A sharing of mesmerizing speech of Swami Vivekanand was shown to students and event was coordinated by Ms. NA Gupta and Ms. AD Mehta

### Textile Manufacturing Department

- Textile Mfg. Dep. conducted expert lectures on Current Trends and Opportunity in Textile Industry by Mr. Sanjiv Sing.
- Textile Mfg. Dep. conducted expert lecture on Textile Dobby Design Software by Mrs. Zarna Sing

### Textile Processing Department

- Textile Processing Dep. conducted expert lectures on Current Trends in Textile Processing.
- Textile Processing Dep. conducted expert lectures on Designing encyclopedia from creativity to Print Production.
- Textile Processing Dep. arranged workshop on SSIP Sensitization Program.

### Printing Technology Department

- Printing Dep. arranged workshop on SSIP Sensitization Program.

## Training & Placement Cell Activities

This includes reputed companies like TATA Hitachi, Mother Dairy, Suzuki Motors, Torrent Power Ltd., Arvind Mills, Adani Energy Ltd. L & T Power Etc. Total 112 students of different branches were recruited by

companies for various positions. The highest package offered was of Rs. 2.45 lacs per annum and the lowest was of Rs. 1.2 lacs per annum.

## Staff Achievements and Paper Publications

- Ms. K M Trivedi, Lect. in Phy. received Dr. APJ Abdul Kalam Lifetime Achievement National Award by International Institute for Social and Economic Reforms, Bangalore on 27th November, 2019.
- Ms. D M Harvani, Lect. in Mech. Engg. delivered expert talk on "Metallurgy of Magnesium Alloys" at young professional seminar(IIW-PDPU Chapter) organized by PDPU, Gandhinagar on 3rd December, 2019.
- Shri N G Parmar, Lect. in Mech. Engg. delivered expert pedagogy session on MOODLE on 7th September, 2019 at RCTI.
- Shri V K Patel, Lect. in Mech. Engg. published a paper in International Journal of Ambient Energy on "Investigation on Laser surface texturing for friction reduction in multi cylinder internal combustion engine", ISSN 0143-0750, Vol. 6 page 230-238 in November 2019.
- Shri P A Vaghela, Lect. in Mech. Engg. published a paper in Journal on "Hybridization of Taguchi and Genetic Algorithm to minimize iteration for optimization of solution, MethodX", ISSN 2215-0161 in January 2019.
- Shri P A Vaghela, Lect. in Mech. Engg. published a paper in Journal on "Integrated symmetric and asymmetric involute spur gear Modelling and manufacturing, materials today: proceedings", ISSN 2214-7853 in 2019.
- Shri P A Vaghela, Lect. in Mech. Engg. published a paper in Journal on "Parametric Analysis of asymmetriuc involute spur gear tooth international journal of power trains", ISSN online 1742-4275 ISSN Print 1742-4267 in 2019.
- Shri R D Joshi, Lect. in Textile Processing Department published a paper in International conference on recent advancement in engineering and technology, Ahmedabad on "Enzymatic eco-

- friendly approach for simultaneous scouring and bio-polishing of cotton with value added performance" ISBN 978-819-39-9297-5 on 21st June, 2019.
- Shri A V Vora, Lect. In Civil Engg. published a paper in International Journal on "Light rail transit system - A better option than BRTS, E-ISSN 2348-1269 P-ISSN 2349-5138.
- Ms. D B Gadhavi, Lect. in IT, published a paper on "enhanced cryptographic approach for preserving privacy of association rule using hybrid algorithm" in IJRAR, ISSN 2348-1269 in March, 2019.
- Ms. K K Prajapati, Lect. in IT, published a paper on "An effective Approach for priority based task schedule in fog computing environment" in IJRAR ISSN 2348-1269 on March, 2019.
- Dr. N G Makwana, Lect. in Chem., published a paper on "Mesomorphism dependance on terminal polar group in nonlinear novel azoester series" in Molecular Crystals and Liquid Crystals, P-ISSN 1542-1406 and E-ISSN 1563-5287 on 13th February, 2019.
- Dr. N G Makwana, Lect. in Chem., published a paper on "Dependance of Mesomorphism on terminal polar group in novel azoester series" in Molecular Crystals and Liquid Crystals, P-ISSN 1542-1406 and E-ISSN 1563-5287 on 11th September, 2019.
- Shri H S Patel and V A Dabhi, Lect. in Phy., published a paper on "To study the structural and electronic properties of TiBeO<sub>3</sub> using density function theory" in Springer proceedings in physics, Vol. 236, P-ISBN 978-981-15-0201-9 and E-ISBN 978-981-0202-6
- Shri R C Bhatt, Lect. in Math. published a paper on "A review of graph theory in applications of computer science" in Kavya Publication, ISBN 978-938-67-8985-3.
